Program Ad Sales Form

This year, the Barn Arts Collective will produce over 50 performances of new and original works of theatre by artists from around the country through the free Barn Arts Residency Program. Admission to all of these shows will be by donation and we anticipate a total audience of over 1,000 residents and summer visitors throughout the six months of our summer and fall season. Additionally, our programs will be available at libraries and community centers across the island.

If you're interested in connecting your business or message with audiences at each of these shows, please consider purchasing an ad in our program. Ads vary in size and rate and all proceeds benefit the work of the Barn Arts Collective - enriching the lives of everyone on MDI through live performance.

Please email your ad to barnartscollective@gmail.com, or attach a business card or graphic to this form. You can use the template attached to this form to show how you would like your ad to appear. We can also use an ad from a previous year.

Please submit program ads by May 4th. Thank you and see you at The Barn!
